## Hudson Valley Hospice Foundation

Hudson Valley Hospice Foundation's mission is to raise community awareness and funding in support of Hudson Valley Hospice. Your sponsorship, together with the support of our community, helps to provide the special kind of care that has been a hallmark of Hudson Valley Hospice for over 35 years, making a difference in the lives of the men, women and children of Dutchess and Ulster Counties who are facing a life limiting illness of themselves or of a loved one. In addition to the traditional services that provide compassionate care, manage symptoms, arrange for specialized equipment, supplies and medications, volunteers and grief and bereavement services, Hudson Valley Hospice goes above and beyond, providing music therapy, end of life doulas, pet therapy and more.

Visit our website at [www.hvhospicefoundation.org](http://www.hvhospicefoundation.org) to learn more about all we do.
