

POSITION: Registered Nurse Liaison

LOCATION: Poughkeepsie – Referral Center

STATUS: Full Time: 40 hours per week

FUNCTION: Responsible for the facilitation of hospice referrals and admissions in contracted facilities and partnered hospitals, specifically working with patients in Intensive Care Units. Act as a patient's partner in care with physicians, case managers and other hospital staff. Educate patients and their families on the benefits and services offered through our hospice program. Provide intake coordination, initial physical assessment and admission to hospice as needed, consistent with the philosophy, goals, objectives and policies of the agency.

EDUCATION/EXPERIENCE: Graduate of an accredited nursing school; Current NYS RN license required. Minimum three (3+) years clinical nursing experience. Clinical time spending in ICU is preferred. Previous hospice, home care and/or oncology experience preferred. Direct service experience in discharge planning, outreach and public relations preferred. Excellent customer relations skills. Computer documentation skills.

Reliable transportation, valid NYS drivers license and acceptable driving record.
